Please be aware that Road closures are in place on Sunday 23rd November and you may need to find an alternative route particularly if coming from south of the River to HBF Stadium.

Road Closure Information

The 11th Annual Santos Great Bike Ride will be held on Sunday 23rd November next. This is a mass participation community cycling event involving a 98km, 53km and 10km family ride. The event will attract around 4000 participants and raises vital funds for Western Australian charities including Hope for Children Foundation and St John of God Horizon House.

Please see the table below for FULL ROAD CLOSURE* information:

How to read this table:

Column 1 = Road

This is the road that will be affected.

Column 2 = Closure From

This is where the road closure will start from.

Column 3 = Closure To

This is where the road closure will go up to.

Column 4 = Direction of Closure

This is which side of the road (direction of the lanes) that will be closed. Every road closure is different and will in some cases only be closed in one direction.

Column 5 = Times Closed

This is the duration for which the roads will be closed. We endeavour to open roads as quickly as possible and therefore these times indicate the maximum times these roads will be closed.

* This event has full road closures as well as lane road closures; lane road closures are indicated on a separate document on the greatbikeride.com.au website.
