

IMPORTANT NOTICE:

2015 SWA Qualifying Series 1, 2 & 3

Series 1 Sunday **8th February**, Series 2 Sunday **15th February** and Series 3 **Sunday 22nd February** have now been CANCELLED.

Swimming WA, in conjunction with the Competition Planning Committee, apologises for any inconvenience this has caused.

This is due to WA now hosting the Australian Open Water Age Competition and the availability of the appropriate number of Officials required to run this series successfully.

Alternatively, if the decision had been made for SWA to combine all three series into one qualifying meet, it would then have impacted on Club hosted swim meets at this particular time. SWA believe this would be detrimental to both the Clubs and swimmers alike.

Once again sincere apologies to all concerned.
