# 2015 VICTORIAN AGE SHORT COURSE CHAMPIONSHIPS

4-6 September 2015, MSAC Indoor Pool

## Presidents Welcome

On behalf of Swimming Victoria and its Board of Directors, I would like to welcome you to the 2016 Victorian Age Short Course Championships.

This year, over 800 athletes from over 90 clubs will converge on the Melbourne Sports & Aquatic Centre (MSAC) to compete in 116 events over the next two and a half days. Once again this year, we are honoured to welcome athletes from Queensland and South Australia to take part in this championship event alongside our own local swimmers.

The 2016 Victorian Age Short Course Championships would not be possible without the engagement and support from our sponsors and partners, so we would like to say thank you to our major sponsors, EVO Sportswear, Funky Trunks & Funkita and PhysioHealth.

Thanks also to Vic Health and The Victorian Institute of Sport who support our sport at every level, helping us to make swimming such a success. I would also like to acknowledge the support received from the Victorian Government, in particular The Department of Planning and Community Development – Sport and Recreation, who have been great supporters of swimming in Victoria.

To all asctaVIC members, and the wider coaching fraternity, this is a moment when you will see the reward of all the hard work put in with your athletes over the preceding months. I would also like to take a moment to acknowledge the fantastic efforts of the Swimming Victoria staff, Technical Officials and volunteers who work tirelessly to support, grow and enhance Victoria's swimming community, and make these events such a success.

Finally, to all competitors, remember above all the have a good time while you strive to meet and surpass your goals. Good luck to you, your coaches and your clubs, and have a wonderful Championship.

A handwritten signature in blue ink, appearing to read "Paul Malcolm".

Paul Malcolm  
President, Swimming Victoria

Note: Late withdrawals will be tracked and any applicable penalties will be enforced.

### **2.6 Swim Costumes**

In accordance with Swimming Victoria Competition By-Law 1.5:

Costumes shall comply with the FINA Rules. Or unless otherwise directed by SV, in all levels of competition within Victoria, competitors may wear "traditional" suits provided the suits meet the following criteria:

- (i) Suits may be of a textile material and may not contain any material such as polyurethane, neoprene or like materials.
- (ii) Male costumes or briefs may not extend above the waist, nor below the knee. Female costumes may be one or two piece and shall not cover the neck, extend past the shoulders, not below the knee and may not utilise zippers or other fastening devices.

Only one costume (at a time) may be worn in competition.

## **2.7 Medical Certificates & Taping**

All competitors, parents and coaches need to be aware that Swimming Victoria enforces the FINA Rule relating to Medical Taping:

SW10.8 provides that any sort of tape on the body is subject to approval of the Sport Medicine Committee.

Swimming Victoria has implemented this rule in modified form in that we require a certificate from a medical professional (doctor, physio etc) specifying why the taping is required.

The certificate must be presented to the Technical Director of the meet BEFORE the swimmer wearing the taping begins competing at that meet. It need only be presented once for the duration of the meet.

The certificate must be dated and will be acceptable by Swimming Victoria for 30 days from the date of issue. The certificate should state that the swimmer is fit to swim and that the taping does not provide any competitive advantage to the competitor.

## **2.8 Accreditation**

An accreditation system will be implemented to provide access control at the 2016 Victorian Age Short Course Championships. All athletes and team managers must wear their accreditation in a visible position whilst in the competition area. All athletes will automatically be provided with accreditation, team managers must apply. See 2.9 for further details.

Coaches must display their current asctaVIC licence at all times.

## **2.9 Club Packages**

### **2.9.1 Applying for Club Packages**

Club package applications must be lodged using the [Club Summary Form](#) found on the event page on the Swimming Victoria website. Club package applications will close at **5:00pm on Monday 22 August 2016**.

Clubs can apply for up to two free Team Manager Passes. A \$25 fee will apply to any additional Team Manager passes requested. Swimming Victoria will consider a club's entry numbers before providing additional Team Manager Passes.

### **2.9.2 Collecting Club Packages**

Club packages can be collected from the Swimming Victoria office (Level 3, MSAC) from 11:00am on Wednesday 31 September 2016, or at the accreditation desk located near the lift at the MSAC outdoor pool entrance when warm up commences.

## **2.12 Warm Up Procedures**

Pool layout is included in *Appendix D – Pool Setup*

### **Warm Up Procedures – Indoor Competition Pool:**

- Please follow signage when conducting warm up
- Initial warm up with no dive entries. Feet first entry into water only.
- Swimmers must swim in a clockwise direction. Swimming in an anti-clockwise direction will not be tolerated.
- Sprint warm ups are to be conducted in lanes 0 and 9 only (under coaching supervision) and are walk-back lanes. Turns are not to be practised in sprint lanes.
- If timing pads are installed, swimmers must not touch, grab or climb over them.
- Warm-up ceases 10 minutes before starting time. The countdown will be 10 minutes, 5 minutes, 2 minutes, 1 minute. It is the responsibility of each coach to ensure their swimmers are aware of the warm up termination time frame.

## **2.13 Backstroke Events**

Backstroke events require a feet first entry into the pool, Ledges will not be used at this event.

## **2.14 Marshalling Procedures & Information**

An announcement will be made at the conclusion of the warm-up session to request competitors in the initial (usually three) events to report to the Marshalling area. Those events numbers and all calls for subsequent events will be displayed on the main scoreboard.

Published timelines are provided as a guide only and must not be relied on as the start times for particular events. Event start times may change significantly due to heat combinations or other variables. Where there are a number of withdrawals from heats and subject to time constraints, the Marshals may either re-seed events or combine heats.

Marshalling calls are usually made three events ahead of the event in the water. This may vary with the distance of, or the number of entries in the various events in the program. Swimmers should monitor the marshalling calls frequently and should be aware of the event, stroke and heat number in which they are competing.

A copy of the program will be fixed to the wall in the corridor outside the marshalling room to enable the swimmers to ensure these details prior to entering the room. Inside the marshalling room, the Marshals will call the names of the swimmers in each heat of an event at least three times if they have not reported.

Swimmers are late reporting if they have been called three times and have not been marked as present, the heats have either been combined/re-seeded or the first heat has been handed over to the Check Starter. Swimmers who are late reporting will only be allowed to swim at the discretion of the Referee in Charge.

Swimmers may report early for subsequent events and may then leave the area. They must return to the area and report to the Marshal in time for those events to be handed over to the Check Starter. If they fail to return in time for their heat, the onus is on the competitor.

## **2.15 Medal Presentations**

Dress requirements for medal presentations are tracksuit, preferably Club or State, or Club or State T-shirt with appropriate tracksuit pants or shorts. Footwear is optional. Towels and/or head wear are not to be worn.

Swimming Victoria requests the cooperation of all swimmers and coaches in the presentation of medals. Medal presentation for finals will be held immediately after the following event has been swum. Finalists should use the baskets provided on pool deck to store their clothing. At the conclusion of each final, place getters are to remain on the pool concourse, dry off and wait for the presentation of medals.

Medal presentations for timed finals will be held as soon as possible after the event. Placegetters should proceed to the presentation area without delay.

## **2.16 Coaches Seating**

Limited Coaches seating will be available on pool deck. Alternatively there will be seating roped off in the grandstand for coaches only.

## **2.17 Ticketing**

Tickets are only available to purchase at the door. Prices per session are as follows:

Adults (Heats/Timed Finals)	\$6.00
Adults (Finals)	Free
Children under 18	Free
Seniors Card Holder	Free

### **2.17.1 Companion Cards**

Swimming Victoria is a Companion Card Affiliate. If a Companion Card is presented at our event, activity or meet, it is because the cardholder is a person who, due to their disability, requires attendant care type support from a companion in order to participate at our venue or event. SV will recognise it and issue a Companion (second) ticket for the cardholder's companion at no charge; this complies with existing anti-discrimination legislation.

## **2.18 Programs**

Event programs will be available to download from the Swimming Victoria website from Wednesday 2 September 2016. Programs for the finals on Saturday and Sunday night will be available for sale during warm up for these sessions.

## **2.19 Timekeepers**

In addition to the ongoing support provided by our Swimming Victoria officials, the smooth running of this meet is also reliant on volunteer timekeepers. All clubs are encouraged to identify parents or friends who can assist with timekeeping duties for this meet. All clubs will receive a timekeeper's roster closer to the event date with club allocations on it.

On the competition days, all timekeepers should report to the timekeepers' desk situated on pool deck near the AOE Room. Three free entry passes will be distributed per lane at the conclusion of each session.

# POOL DECK CODE OF BEHAVIOUR

Victorian Swim Meet Guidelines | Last updated: 16 August 2016

Swimming Victoria and asctaVIC implement the following “Pool Deck Code of Behaviour” at all meets they conduct. All coaches, support staff, officials and competitors are expected to adhere to these guidelines.

**Coaches MUST display their current ASCTA Coaching Licence & Working with Children Check (WWCC) Cards at all times. Coaches will be asked to leave pool deck if they fail to display their cards.**

## Pool Deck Access: only permitted for the following:

- Accredited and Licensed ASCTA coaches whose registration is current, valid & being displayed around their neck so it is clearly identifiable from a distance. Coaches must also carry their current WWCC card on them at all times. Licensed coaches include Bronze, Silver, Gold & Platinum Coaches only. SAT CS do not have access to pool deck;
- Team Managers, Support Staff, Masseurs, Physiotherapists and other authorised helpers, who have been provided with an authorised SV Pool Deck Pass (SVPDP) which is clearly identifiable at all times. A SVPDP will only be issued by SV if the ‘Head Coach’ or ‘President’ of the relevant club certifies the essentiality of those persons.
- Competitors, SV Officials, Staff and Volunteers when required who are clearly identifiable through the correct uniform for their role;
- No other person without a clearly identifiable ASCTA Licence or SVPDP is permitted onto Pool Deck.

## Pool Deck Use: Coaches and Swimmers are requested to:

- Only access pool deck when warming up, cooling down, marshaling and competing in the current event;
- Ensure the pool deck is not congested & clear of swimming bags, massage tables and other ancillary equipment. SV may provide an area for these, located at its discretion.

## Warm Up Procedures:

- Warm up procedures are clearly identified in the Event Information located on the SV website under each event. Coaches are expected to know and implement these procedures, including the lane set up;
- It is the responsibility of every coach to ensure their swimmer(s) are aware of the warm-up timing and that swimmers clear the water when required.

## Coach Seating Area:

- Coaches seating is available in the grandstand at the finish end of the pool & in a designated area on pool deck that provides visibility to their athletes competing;
- Athletes must not congregate or leave bags in the area and only use the area to gain instructions & feedback. Athletes are not to access the marshaling room via the pool deck door.

## General Matters & Coach Liaison:

- asctaVIC will appoint a Coach Liaison (CL) to represent the coaches on operational issues during SV meets. The CL will be the key point of contact between Swimming Victoria, the Technical Director and Meet Supervisor for operational issues i.e. warm up procedures, coaches seating, pool deck access etc;
- The CL must NOT be approached for issues that relate to individual athletes or teams i.e. DQ’s, protests etc;
- The appointed CL’s will be communicated to all coaches and they will have the opportunity to meet with the Technical Director prior to the commencement of the meet;
- All members are encouraged to provide feedback to the CL of any matters (favourable or unfavourable) relating to the meet in writing. It is essential the Association has its member’s feedback to pass on to SV;
- At all times, coaches and swimmers must respect directions of the Technical Director and/or Coach Liaison and/or SV. If a coach has a request or concern, please attend to it via the asctaVIC Coach Liaison;
- Walk-way(s) must be kept clear at all times (other than official tables) as walkways are thoroughfares;

**Failure to abide by these guidelines**

- A verbal warning will be issued by an Official nominated by SV, followed by a written caution for a repeat breach of behavior. A copy will be given by asctaVIC and to SV;
- For serious or continual breaches the coach and/or the swimmer and/or squad can be prohibited from participating in the swim meet. Repeated offences may attract penalties in relation to future swim meets.
