## 2020 Hancock Prospecting State Open and Age Short Course Championships

### So Lucky To Be Back in the Swim!

A very warm welcome to the 2020 Hancock Prospecting State Open and Age Short Course Championships. Given the fact that our country is in the middle of the COVID-19 pandemic, it is difficult to believe that here in the West, our Short Course season is back up and running. Our Members will appreciate that this achievement hasn't just happened. We are here today as a result of the magnificent work of our volunteer Committees and the dedicated team at Swimming WA. In the most challenging and difficult conditions imaginable, this group have been focusing their efforts on designing and implementing competitions and programmes that will provide our swimmers with memorable experiences. On behalf of all SWA Members, our sincere thanks to you all.

I wanted to update our Membership on some of the exciting developments that have transpired over the winter months. The SWA Board and Management are focusing on making the 2020/21 season a positive and enriching experience for all involved in swimming – in and out of the pool. If the COVID-19 pandemic has taught us anything, it is that at this time our community must work together over the months ahead. Swimming WA made the pledge to its Membership to be a **'kinder and gentler sport'** with the health and well-being of our athletes and Members 'front and centre' of our words and deeds. Our Coaches and Technical Officials will play a crucial role in this commitment as will our Club Leaders and Officials.

As part of our commitment in line with the Association's Strategic Plan 2019-24, SWA will **invest an additional \$55,000 into coach development** that will provide opportunities for coaches all across the State to deliver programmes on behalf of SWA. In a further commitment to Club based swimming, SWA will invest in those SWA Club programmes that have performance athletes that are not WAIS Scholarship Holders, but part of the SWA Gold Squad across pool, open water and multi-class.

Part of the funding allocation will see the successful applicant Coaches support and provide mentoring services to SWA Country Club Coaches. Our thanks to ASCTA (WA) for working with us on the scheme which will play a major role in assisting our coaches to develop their knowledge and skills over the summer ahead.

SWA will also **invest an additional \$20,000 into Multi Class swimming** this year in a bid to increase the number of multi class athletes and families that are entering our sport for the first time. The SWA Staff will be working with the Multi Class Advisory Group (MCAG) over the coming weeks to finalise plans for this summer, so stay tuned for more information.

The SWA OWS Series is just around the corner with round one set for **Saturday October 3<sup>rd</sup> in Karratha** at Hearson's Cove. SWA wishes to thank the City of Karratha, round sponsor Yara Pilbara Fertilizers for their support of swimming in the Pilbara. We hope that some of our OWS Members from around WA will make the trip to beautiful Karratha and get involved in what promises to be a wonderful open water swim!

Finally, on behalf of the Association, our sincere thanks to Hancock Prospecting who have supported Swimming WA for the past 29 years, right across the State. We are very proud to have the support of Hancock Prospecting as our Principal Partner and we thank Marguerite Olivier for opening these Championships on behalf of our Patron Mrs. Rinehart.

I wish you all a very successful 2020 Hancock Prospecting State Open and Age Short Course Championships

Regards,

## 2020 Hancock Prospecting State Open and Age Short Course Championships Message from the Sponsor

*I am very pleased to welcome you all to the 2020 Hancock Prospecting State Open and Age Championships.*

*For nearly thirty years, Hancock Prospecting has been delighted to be the Principal Partner of Swimming WA, supporting swimming throughout West Australia. A terrific safe sport for our children - a non-contact, non-dangerous sport; a sport that encourages hard work and team spirit, builds resilience, persistence and dedication, amongst other good traits, and in turn creates wonderful role models for many others.*

*We are delighted that in the midst of the COVID-19 pandemic that has had such a detrimental impact on our community, the national debt for which the next generation will be paying for many years, swimming in West Australia is beginning to return to competition. It is wonderful to see athletes and families from across our State attend and compete in these Championships. Please wear masks when can, and please remember to observe physical distancing and thorough hand washing.*

*Championships like these do not occur without the magnificent contribution from volunteers, as well as the endless enthusiasm of the swimmers and families. Together with Swimming WA, you have all done a great job.*

*I would encourage all in attendance here today to support everyone in and out of the pool in a positive manner. There will be winners and we will embrace their achievements, but let us also celebrate all of those who participate too.*

*From the team at Hancock Prospecting, our foundation and your Patron, we wish you all the best.*

### **WestSwim Lakelands**

Enrolments grew steadily through 2019 and early 2020, peaking at 730 swimmers in March 2020. The purpose-built facility has established itself as a community facility within the local community. Swimming WA is proud to offer this facility to the community, providing a specialist facility and an opportunity to grow our sport within the Mandurah area. The centre is utilised for birthday parties, rehabilitation, training courses and community groups such as MSWA and Ngala.

COVID-19 forced the centre to close on 23 March alongside State Government regulations. The centre re-opened to 5 Swimming WA Clubs, providing an opportunity for swimmers to access the water, highlighting the facility at Lakelands is a valuable facility to be utilised by all members of the Association.

The centre re-opened for Learn to swim customers on 15 June, enrolments are slowly building, this week we reached the milestone of 400! Most importantly, staff have remained employed and swimmers have returned to the pool in a safe and happy environment for all.

### **WestSwim Craigie**

The squad programme at Craigie continued to grow throughout the 19/20 year, on 23 March Craigie Leisure Centre was closed due to COVID-19 restrictions. Taking longer to re-commence the programme resumed on 28 June with strong enrolments, indicative of the enthusiasm of our squad swimmers to get back into the water.

Swimming WA are working hard alongside Breakers SC to build the programme and provide opportunities for swimmers to swim whether for fitness or at competitive level.

## Swimming WA Competition Policy Technical/Performance Race Suits

In the interest of athlete development and retention, Swimming WA in consultation with Swimming Australia, the SWA High Performance and Competition and Planning Committees, instituted a new Policy pertaining to the use of technical/performance race suits at Swimming WA sanctioned competition which came into effect on May 1st 2018.

Technical/Performance suits can be very expensive and thus provide a potential barrier to entry for families looking to start out in swimming. In the view of Swimming WA and other State Swimming Associations, there are no proven performance benefits for young swimmers using technical/performance suits. After consultation with coaches across the State, feedback indicates that much of the benefit of wearing a technical/performance suit **is not relevant to young swimmers** who have yet to physically develop.

The move to limit the use of technical/performance suits for young swimmers is another initiative from Swimming WA to remove the competitive pressure on young swimmers at a crucial development phase of their swimming journey.

SWA Members are reminded that the SWA Technical/Performance Race Suits Policy is **in effect**.

### Who Will the Change Apply To?

#### Swimmers Aged 13 Years and Over:

Will be permitted to wear swimwear in line with the FINA by laws 8.1, 8.2 and 8.3.

#### Swimmers Aged 12 Years:

Will no longer be permitted to wear technical/performance swimsuits at any Swimming WA sanctioned competition. The only exception to this rule is when the swimmer is competing in a 13yrs/over event at a State Championship; then they will be permitted to wear swimwear in line with the FINA by laws 8.1, 8.2 and 8.3.

#### Swimmers Aged 11 Years and Under:

Will no longer be permitted to wear technical/performance swimsuits at any Swimming WA sanctioned competition

## What is a Technical/ Performance Suit?

Technical/performance racing suits are manufactured using scientifically advanced materials. Materials of this type are normally comprised of [spandex](#) and [nylon](#) composite fabrics with features to reduce “drag” against the water. The fabrics include features which are highly compressive and increase the swimmer's glide through water and reducing absorption of water by the suit as opposed to regular swimsuits.

Traditional one-piece race suits for females as well as briefs and trunks for male swimmers are not technical/performance suits and will be permitted. Knee length suits and “jammers” will also be permitted provided they do not feature the key components of a technical/performance swim suit will also be permitted.

The key component of a technical/performance suits which should be identified when differentiating what is and isn't permitted are the following

- Bonded/ Sealed Seams
- Meshed Seams
- Kinetic Tape

The above photographs are examples of seaming which will continue to be **permitted** for swimmers aged 12 years and under, note the stitching is raised on the outside of the fabric.
