RVA	Riverton						

Reserves:

NCT North Coast

PERC Perth City

(Please check on the day in case of any changes to the timekeeping roster).

Lesmurdie Legends would like to thank you for your support.

Entry to the Kalamunda Water Park will be \$5 for swimmers and \$3 for spectators.

Overflow car parking will be available next door at the City of Kalamunda offices, 2 Railway Road, Kalamunda.

Splash and Dash swimmers – your events will be held from event 19.

Programs will be available for \$3:00 each. The sausage sizzle will be firing up at 3pm for a mid afternoon / after swim snack and the Kalamunda Water Park Kiosk will also be open for purchases.

If your swimmers has any friends or siblings who would enjoy a day at the pool - why not bring them along for the afternoon – the Kalamunda Water Park water slides will be open and available for use (purchase your tickets for this when entering).

The Lesmurdie Legends Swimming Club has combined with the local Kalamunda community and we have some fabulous raffle prizes available to win – so bring along your spare change (raffle, jelly bean count).

The long range weather forecast for the event is for a lovely sunny 30°C summer day – so remember to be SunSmart.

As noted, for swimmers entering backstroke events, the Kalamunda Water Park starting blocks are not set up for backstroke starts, so a temporary option will be fitted and this will be available during warm up. As we only have one pool available to us during the day, we will not be able to provide a warm up / cool down option once the event commences.

Once again thank you for supporting Lesmurdie Legends Swimming Club and we hope you and your team have a fun and successful day at the pool in the hills.
