2020 SunSmart State Junior Short Course Championships

So Lucky To Be Back in the Swim!

A very warm welcome to the 2020 SunSmart Short Course Championships. Given the fact that our country is in the middle of the COVID-19 pandemic, it is difficult to believe that here in the West, our Short Course season is back up and running. The 2020 Hancock Prospecting State Open and Age Championship held earlier this month were simply terrific. We were delighted to have Hancock Prospecting's Sponsorship Manager Marguerite Olivier open the Championships on behalf of the SWA Patron, Mrs. Gina Rinehart. I was delighted to present the 2020 Lyn McClements Medal to Brianna Throssell (her 4th) in front a large crowd. The work that Brianna has done since crossing over to work with Mick Palfrey has her positioned for a huge summer of competition and we wish her the very best of luck in her quest to make the Australian team to compete at the 2021 Tokyo Olympic Games.

SWA Board and Management are focusing on making the 2020/21 season a positive and enriching experience for all involved in swimming – in and out of the pool. If the COVID-19 pandemic has taught us anything, it is that at this time our community must work together over the months ahead. Swimming WA made the pledge to its Membership to be a '**kinder and gentler sport**' with the health and well-being of our athletes and Members 'front and centre' of our words and deeds. Our Coaches and Technical Officials will play a crucial role in this commitment as will our Club Leaders and Officials. The 'Spirit of Swimming' will be unveiled at the SWA Conference on October 10th, so stay tuned for more on this important and positive initiative for Western Australian swimming.

SWA continues to provide a sport that is engaging and inclusive to all and as such, the Board and I have made the decision to **invest an additional \$20,000 into Multi Class swimming** this year in a bid to increase the number of multi class athletes and families that are entering our sport for the first time. The SWA Staff will be working with the Multi Class Advisory Group (MCAG) over the coming weeks to finalise plans for this summer, with our strategy to be released in October.

The SWA OWS Series is just around the corner with round one set for **Saturday October 3rd in Karratha** at Hearson's Cove. SWA wishes to thank the City of Karratha, round sponsor Yara Pilbara Fertilizers for their support of swimming in the Pilbara. We hope that some of our OWS Members from around WA will make the trip to beautiful Karratha and get involved in what promises to be a wonderful open water swim!

Finally, on behalf of the Association, our sincere thanks to Healthway and The Cancer Council who have supported Swimming WA for so many years, right across the State. We are very proud to have the support of Healthway as a Gold Level Sponsor and we will continue to adopt SunSmart approaches when our events and meets take us outside.

I wish you all a very successful 2020 SunSmart State Junior Short Course Championships

Regards,

Louis van Aardt

2020 SunSmart Junior Short Course Championships

Message from the Sponsor

As we get ready to splash into the warmer months of the year, it's a timely reminder to be sun safe.

Healthway and Swimming WA have been working in partnership for almost two decades to promote sun protection through events and activities like the SunSmart Junior Short Course Championships.

Through this partnership, all Swimming WA events promote the SunSmart message, and include the availability of sunscreen, broad brimmed hats and shade, and where possible, scheduling outdoor swimming events and activities outside peak UV times.

The SunSmart message is important for reducing skin cancer, providing education, and increasing sun safe behaviours across the WA community.

Many of us love being outdoors and active in our wonderful Western Australian summer, so protecting our skin from over-exposure to the sun is important.

So to all the participants, volunteers and spectators have a wonderful Championships season – and be sun smart!

WestSwim Lakelands

Enrolments grew steadily through 2019 and early 2020, peaking at 730 swimmers in March 2020. The purpose-built facility has established itself as a community facility within the local community. Swimming WA is proud to offer this facility to the community, providing a specialist facility and an opportunity to grow our sport within the Mandurah area. The centre is utilised for birthday parties, rehabilitation, training courses and community groups such as MSWA and Ngala.

COVID-19 forced the centre to close on 23 March alongside State Government regulations. The centre re-opened to 5 Swimming WA Clubs, providing an opportunity for swimmers to access the water, highlighting the facility at Lakelands is a valuable facility to be utilised by all members of the Association.

The centre re-opened for Learn to swim customers on 15 June, enrolments are slowly building, this week we reached the milestone of 400! Most importantly, staff have remained employed and swimmers have returned to the pool in a safe and happy environment for all.

WestSwim Craigie

The squad programme at Craigie continued to grow throughout the 19/20 year, on 23 March Craigie Leisure Centre was closed due to COVID-19 restrictions. Taking longer to re-commence the programme resumed on 28 June with strong enrolments, indicative of the enthusiasm of our squad swimmers to get back into the water.

Swimming WA are working hard alongside Breakers SC to build the programme and provide opportunities for swimmers to swim whether for fitness or at competitive level.

Swimming WA Competition Policy Technical/Performance Race Suits

In the interest of athlete development and retention, Swimming WA in consultation with Swimming Australia, the SWA High Performance and Competition and Planning Committees, instituted a new Policy pertaining to the use of technical/performance race suits at Swimming WA sanctioned competition which came into effect on May 1st 2018.

Technical/Performance suits can be very expensive and thus provide a potential barrier to entry for families looking to start out in swimming. In the view of Swimming WA and other State Swimming Associations, there are no proven performance benefits for young swimmers using technical/performance suits. After consultation with coaches across the State, feedback indicates that much of the benefit of wearing a technical/performance suit **is not relevant to young swimmers** who have yet to physically develop.

The move to limit the use of technical/performance suits for young swimmers is another initiative from Swimming WA to remove the competitive pressure on young swimmers at a crucial development phase of their swimming journey.

SWA Members are reminded that the SWA Technical/Performance Race Suits Policy is **in effect**.

Who Will the Change Apply To?

Swimmers Aged 13 Years and Over:

Will be permitted to wear swimwear in line with the FINA by laws 8.1, 8.2 and 8.3.

Swimmers Aged 12 Years:

Will no longer be permitted to wear technical/performance swimsuits at any Swimming WA sanctioned competition. The only exception to this rule is when the swimmer is competing in a 13yrs/over event at a State Championship; then they will be permitted to wear swimwear in line with the FINA by laws 8.1, 8.2 and 8.3.

Swimmers Aged 11 Years and Under:

Will no longer be permitted to wear technical/performance swimsuits at any Swimming WA sanctioned competition

What is a Technical/ Performance Suit?

Technical/performance racing suits are manufactured using scientifically advanced materials. Materials of this type are normally comprised of **spandex** and **nylon** composite fabrics with features to reduce “**drag**” against the water. The fabrics include features which are highly compressive and increase the swimmer's glide through water and reducing absorption of water by the suit as opposed to regular swimsuits.

Traditional one-piece race suits for females as well as briefs and trunks for male swimmers are not technical/performance suits and will be permitted. Knee length suits and “**jammers**” will also be permitted provided they do not feature the key components of a technical/performance swim suit will also be permitted.

The key component of a technical/performance suits which should be identified when differentiating what is and isn't permitted are the following

- Bonded/ Sealed Seams
- Meshed Seams
- Kinetic Tape

The above photographs are examples of seaming which will continue to be **permitted** for swimmers aged 12 years and under, note the stitching is raised on the outside of the fabric.
