

Information for swimmers and families attending the Curtin VPSC Spring into Summer Carnival, Sunday 28th November

Please park in the overflow carpark behind the main car parking area and under the trees to the right of the centre.

Entry from 8am - use the main entrance to Aqualife. Entrance for swimmers is \$3.80 and \$2.00 for spectators – correct change or small notes are appreciated for payment – or EFT available. We ask that big clubs leave the middle section of the grassed area (under the trees) for small groups without shade shelters. Programs available for \$5.00 - these will be available as you walk in to the outdoor pool area and cash is required. Or they can be purchased on the raffle tables next to the curved wall.

The carnival will start at 8.45am with the 800m heats. There will be an opportunity for these swimmers to cool down after the event. Please have time keepers in place ready to go. Timekeeping has been a challenge as there are many clubs with a very small number of competitors. Please make sure you fulfill your time keeping allocation as it is important to the swimmers to get official times, and we all want the meet to run on time. The view on pool deck is certainly the best. The timekeeping roster is in the program. The timekeeping roster has been developed based on all entries Thursday 25th November. Any changes past this date have not been taken into account.

Splash and Dash swimmers – welcome! Your events are between 9.15 and 12.00. We have dedicated people to help you – look for the people in yellow High Vis vest. If you do not have a club please come and sit with the Vic Park team – our coaches are there to assist. Don't forget to grab your certificates at the end of your swim. There seems to be a bit of confusion with registrations into the S and D and some swimmers who are not novices registered incorrectly. Some of these have been corrected by MSR. If you think your child is incorrectly enrolled in the S and D please find a Board member or enquire at the marshalling tent to see if we can move them into the regular event they should be in (no promises though!).

Bacon and egg burgers will be ready from 8am. Burgers etc will be available for lunch. Our Ruby Girl coffee van will be on site for caffeine hits.

There are heaps of prizes. We have an exclusive raffle where for \$5 per ticket you have at a chance of scoring a prize valued between \$50 and \$650. General raffle, \$100 Board and Guess the Lolly jar.

Long term weather forecast is for a perfect day - remember to be Sun Smart. Bring hats as for 50m events timekeepers will be in the sun (not for long).

Please make sure you register with the COVID app on entry to the facility and there will be hand gel available at raffle and BBQ areas should you need them.

Thank you for attending and supporting CVPSC. We hope you have a fun and successful day.

Any questions please email vpsec.secretary@gmail.com

Timekeeping Roster

3 x Time Keepers per lane

Start time 8.45am (warm up at 8.00 am) Expected finish time: 3.00pm

Lane	Club

5	Riverton x 3
6	Scarborough Beach Swim Club x 3
7	CVPS x 2 UWAWC x 1 8.45 to 1300/GKSC 1300 to end
8	CVPS x 3

Reserves: Guildford, Riverton, All Saints, Breakers, Collie, Narrogin, Perth City, SLD, Wongan Hills

Helen Harris is the time keeping manager – please see her on the day if you are having difficulties with your allocation.

The indoor pool cannot be used for warm up, cool down or free play during the meet. There will be a short break after the 800m free (Event 1) for those swimmers to do a quick cool down (100m) before Event 2 commences. 50m events will require the time keepers to move to the other end of the pool.

Timekeeping is always difficult to allocate fairly. We thank you for doing your allocation.
