ATTENDANCE GUIDELINES – 2022 WA JUNIOR CHAMPIONSHIPS

HBF Stadium will have a 500-person capacity limit on the venue. We please ask that only one parent/guardian from each family accompany the 9-10yr old swimmers in the Saturday/Sunday morning sessions. Due to more than 400 swimmers expected in the 11, 12 and 13yr afternoon sessions, we encourage only one parent/guardian from each club to act as the supervisor and provide assistance for all swimmers from their one respective club on the Saturday and Sunday afternoon sessions.

Not included within the 500-person capacity are officials, timekeepers, coaches, team managers, marshals and volunteers. Included within the 500-person capacity are swimmers and parents/guardians. If attending, please make sure you:

- 1) Check in on arrival with the Safe WA or Service WA apps
- 2) Wear masks (8yrs and over) in the grandstands, on pool deck and in marshalling. Masks can be taken off when swimmers are behind the blocks and placed in named zip-locked bags in the baskets provided.
- 3) Social distance, sanitise your hands when possible and do not attend the event if feeling unwell.

Swimming WA implement the following SWA Accreditation Procedure at all Swimming WA Meets. All coaches, staff, officials, volunteers and competitors are required to adhere to these guidelines.

Any individual who requires access to pool deck must have the appropriate accreditation and lanyard visible at all times, with the exception of competing athletes.

Pool Deck Access: only permitted for the following

- Accredited and licensed ASCTA coaches whose registration is current, valid & their accreditation and SWA **lanyard** being displayed around their neck so it is clearly identifiable from a distance.
- Coaches must also carry their current WWCC card on them at all times and wear masks on pool deck.
- SWA Technical Officials, timekeepers, staff and volunteers - who are clearly identifiable through their uniform, relevant accreditation/membership card and appropriate **lanyard** clearly visible while also wearing masks.
- All athletes registered for competition (all aged 8yrs/O must wear a mask on pool deck).
- No one without a clearly identifiable coaching license or relevant accreditation is permitted onto pool deck.

Pool Deck Use - Swimmers are requested to:

- Access pool deck when warming up, cooling down, marshalling, competing in their current event and obtaining instructions from their coach. Masks must be worn at all times until behind the blocks (8yrs/O)
- Please ensure pool deck is not congested & clear of swimming bags, massage tables and other equipment to avoid trip hazards. SWA may provide an area for these, located at its discretion.

Warm Up / Cool Down Procedures:

- Warm Up/Cool Down procedures are clearly identified in the Event Information for each Meet. Coaches are expected to know and implement these procedures, including the lane set up, etc.
- It is the responsibility of every coach to ensure their swimmer(s) are aware of the Warm Up/Cool Down times and that swimmers leave the water when required.

Coach Seating Area:

- Coaches seating is in a designated area on pool deck that provides visibility to their athletes competing.
- Athletes must not congregate or leave bags in the area and only use the area to gain instructions from their coaches.

Accreditation Checkpoints

- Accreditation Checkpoints and/or barriers will be set up at all entries to pool deck, and people requesting access to pool deck must show appropriate accreditation.
- Coaches and Technical Officials - If a Coach, Technical Official and/or Staff cannot provide evidence of current accreditation and lanyard: access to Pool Deck will not be granted.

Spot Checks

- 'Spot Checks' will also be carried out at various times during the meet, making it critical that accreditation cards are worn and in view throughout the meet. We will check all swimmers aged 8yrs/O also wear masks.

Failure to abide by these guidelines:

- A verbal warning will be issued by SWA staff or the Meet Director, followed by a written caution for a repeat breach of behaviour. A copy will be kept on file at Swimming WA.
- For serious or continual breaches, the coach and/or the swimmer and/or squad can be prohibited from participating in the swim Meet. Repeated offences may attract penalties in relation to future swim Meets.
- Failure to follow mask wearing guidelines at HBF Stadium could result in fines, sanctions and cancellations of all future events. Please make sure you follow these guidelines and keep WA and our events safe.

Thank you for the role your club is playing to ensure that swimming is an essential part of the Western Australian way of life.

Best wishes,

Ben Harvey

Swimming WA Swimwear Information Pack

With recent changes being made at the national and state level regarding the requirements around swimsuits in competition, Swimming WA has put all the information into a single location for Clubs and Members to find all the information they need surrounding the rules and regulations of swimsuits.

There are 3 items being referenced in this document:

1. [FINA By-Laws](#)
2. [Swimming Australia Inclusive Swimwear Policy](#)
3. **SWA Technical/Performance Race Suits – found at the end of this document**

The FINA By-Laws are the overarching rules for all swimming and racing competition around the world. Countries are members of FINA and abide by their rules and regulations on these matters. There are some exceptions that are in place such as the 2 additional policies mentioned above.

The rule that has been recently commented on in WA events has been surrounding the logo size on swimsuits. The rule reads as follows:

One (1) manufacturer's logo of a maximum size of 30cm² when worn. Where one-piece body suits are used, two (2) logos of the manufacturer shall be permitted, one above the waist and one below the waist of a maximum size of 30cm² each when worn. These two (2) logos of the manufacturer shall not be placed immediately adjacent to each other. Where two-piece body suits are used, the two (2) logos of the manufacturer shall be placed on one piece each.

Examples shown in the pictures below:

Swimming Australia has made steps to be more inclusive in their swimsuit policy and the background of these decisions can be seen below:

1.1 Swimming Australia is committed to creating a welcoming and inclusive swimming environment for all competitive members. Within our Inclusive Swimming Framework, our goals are:

- All Australians feel welcome, safe, valued and celebrated in swimming
- All Australians can participate in the role and at the level of their choice in swimming
- Australia's diversity is reflected in swimming.

1.2 It is acknowledged that for some swimmers the standard competitive swimsuit options defined by FINA requirements for swimwear approval may not suit their individual needs and preferences.

1.3 This may be attributed to a range of factors including but not limited to a swimmer's cultural or religious observations.

I.4 Lack of appropriate competitive swimwear options are a key barrier to participation in swimming by many people in the community including, people with disability, people from culturally and linguistically diverse backgrounds, Aboriginal and Torres Strait Islander peoples, transgender and gender diverse people and women and girls.

I.5 To accommodate and support swimmers' individual needs and encourage participation and involvement in swimming competitions, Swimming Australia allows swimwear to be modified or alternative swimsuits to be worn in accordance with this Policy.

For more information please refer to the policy linked at the top of the page.

Swimming WA
Competition
Policy
Technical/Performance Race Suits – Update in effect October 1st 2021

In the interest of athlete development and retention, Swimming WA in consultation with Swimming Australia, the SWA High Performance and Competition and Planning Committees, made changes to the Policy pertaining to the use of technical/performance race suits at Swimming WA sanctioned competition which came into effect on May 1st 2018.

Technical/Performance suits can be very expensive and thus provide a potential barrier to entry for families looking to start out in swimming. In the view of Swimming WA and other State Swimming Associations, there are no proven performance benefits for young swimmers using technical/performance suits. After consultation with coaches across the State in previous years, feedback indicates that much of the benefit of wearing a technical/performance suit **is not relevant to young swimmers** who have yet to physically develop.

The move to limit the use of technical/performance suits for young swimmers is another initiative from Swimming WA to remove the competitive pressure on young swimmers at a crucial development phase of their swimming journey.

SWA Members are reminded that the SWA Technical/Performance Race Suits Policy is **in effect**.

The update is as follows – **Tech Suits will no longer be permitted to be worn at Junior Meets**. This will go into effect on the **1st October 2021**.

Who Will the Change

Apply To?

Age Group Swimmers:

Females Aged 13 Years and Over
Males Aged 14 Years and Over

Will be permitted to wear swimwear in line with the FINA by laws 8.1, 8.2 and 8.3.

Junior Swimmers:

Females Aged 12 Years and Under
Males Aged 13 Years and Under

Will no longer be permitted to wear technical/performance swimsuits at any Swimming WA sanctioned competition. The only exception to this rule is when the swimmer is competing in a State Championship event as an Age Group Swimmer; then they will be permitted to wear swimwear in line with the FINA by laws 8.1, 8.2 and 8.3.

What is a Technical/ Performance Suit?

Technical/performance racing suits are manufactured using scientifically advanced materials. Materials of this type are normally comprised of [spandex](#) and [nylon](#) composite fabrics with features to reduce “[drag](#)” against the water. The fabrics include features which are highly compressive and increase the swimmer's glide through water and reducing absorption of water by the suit as opposed to regular swimsuits.

Traditional one-piece race suits for females as well as briefs and trunks for male swimmers are not technical/performance suits and will be permitted. Knee length suits and “jammers” will also be permitted provided they do not feature the key components of a technical/performance swim suit will also be permitted.

The key component of a technical/performance suits which should be identified when differentiating what is and isn't permitted are the following

- Bonded/ Sealed Seams
- Meshed Seams
- Kinetic Tape

The above photographs are examples of seaming which will continue to be **permitted** for swimmers at junior meets, note the stitching is raised on the outside of the fabric.

The above photographs are examples of swim suit seaming which **will no longer be permitted** for swimmers at junior meets. Note the bonded/sealed seams and use of kinetic tape.

If you have any further questions about this policy please contact Mr. Ben Harvey at ben.harvey@wa.swimming.org.au

2022 WA Junior Swimming Championships – Event Changes

With the event approaching quickly, Swimming WA is working hard to create a fantastic event for all. We would like to inform you of some changes to the event schedule that will be different from years past but will create a better event.

Entry / Exit Procedure –

As has occurred over the previous years, Swimmers will enter the competition arena from the marshalling yard. Swimmers will then compete in their timed final and exit the pool via the stairs closest to their lane. Swimmers must return immediately back to their mask, which would have been left in a labeled zip lock bag in the basket behind the blocks in their lane.

After each timed final, medalists will be asked to head straight to the medal presentation area, whereas all other swimmers will be free to cool down or speak to their coach.

State Medals–

This year Swimming WA will be altering our medal presentation procedure to create a faster paced medal presentation procedure to minimize the impact on the athlete post-race, whilst maintaining the integrity of a State Medal.

At the conclusion of each event, swimmers that have medaled will need to proceed to the medal presentations area as quickly as possible. We will aim to present medals within five to ten minutes of the timed final.

If you are unable to attend the medal presentation at the dedicated time, you will be required to retrieve your medal from the volunteers assisting.
