Reserves:

Thank you for your support – with a small meet is difficult to manage time keeping and we have endeavoured to make it fair to all.

Helen Harris is the time keeping manager – please see her on the day if you are having difficulties with your allocation.

Please note that the indoor pool cannot be used for warm up, cool down or free play during the meet. There will be a short break after the 800m free (Event 1) for those swimmers to do a quick cool down before Event 2 commences.
