## **Thank you for entering the GK Junior meet.**

As noted on mysimresults this year we are running our meet in conjunction with Aquajets swim club at Belmont Oasis.

We would like for all competitors entered to take note of the following IMPORTANT points:

- There is limited seating space at the venue inside, so we ask that competitors limit the number of spectators they bring along with them on the day. It is preferable that there is one adult per swimmer attending.
- The hosts, GK and Aquajets will be covering all of the time keeping, so there is no need for you to supply a time keeper.
- We will have a raffle table, along with limited programs for sale on the day so please bring along cash for these. Though we will also have EFT facilities available.
- For any larger clubs you are welcome to bring along your marquees, and banners to set up a club space outside on the grass.
- There will be an entry fee payable to the venue.

Thank you for your support of our club meet. Hoping you enjoy the day 😊
